

What's Next:

Housing Options as We Age

Wednesday, February 28, 2018, from 9am - 2pm

Event Location

What's Next: Housing Options as We Age, is an opportunity to discuss and answer questions about housing for older adults in our community. Whatcom County offers a wide-range of housing options from shared-housing and in-home attendants, to adult family homes, rehabilitation, and independent and assisted living facilities. This event aims to assist individuals in making informed decisions that work for them, and to help families talk with their loved ones about viable housing options.
